

Castrol® industrial products

Best-in-class products designed to drive cost savings and productivity

Cutting & grinding fluids

- Synthetic metalworking fluid
- Semi-synthetic metalworking fluid
- Soluble metalworking fluid
- Straight oil metalworking fluid
- Tapping compounds

Industrial cleaners

- Immersion
- General maintenance
- Spray wash
- Ultrasonic

Deformation

- Dry-film
- Pastes
- Semi-synthetics
- Soluble oils
- Straight oils
- Synthetics
- Vanishing oils
- Wax emulsions

Greases

- Heavy duty greases
- High temperature greases
- Low temperature greases
- Open gear greases

Industrial lubricants

- Gear oils
- Hydraulic oils (petroleum)
- Hydraulic oils (fire resistant)
- Slideway lubricants
- Compressor oils
- Chain oils
- Air tool oils
- Assembly pastes

Corrosion preventives

- Oil-based
- Solvent
- Based
- Synthetics
- Thixotropic

Specialty greases

- Anti-lock brake system greases
- Air leveler, boot lubricant
- Bearing greases
- Heavy duty greases
- High temperature greases
- CV joint greases
- Flourolubricants & solvents
- Hydraulic clutch lubricants

Environmentally responsible

- Cutting and grinding oils
- Forming fluids
- Maintenance oils
- Specialty oils

Heat treat

- Oil quenchants
- Aqueous quenchants
