# New Castrol® Virtual Engineer®

The next best thing to  
a Castrol expert on site

## Hands-free Castrol Virtual Engineer Harness

Your safety is our priority, and we understand  
the industrial environments you work in.

If you want to try Castrol Virtual Engineer you can use this hands-free harness

### Safe, secure and compliant

Your confidential  
data is protected,  
and any information  
shared is stored on  
an encrypted, cloud-  
based server.

\*Complies with the EU General Data  
Protection Regulation (GDPR).

### Rapid access to our experts

Advice when you need  
it, avoiding travel time.  
Castrol Virtual Engineer  
allows you to collaborate  
with a wider Castrol  
network, to find solutions  
faster and get the best  
technical advice.

### Multi-device compatibility

Castrol Virtual Engineer  
is flexible and can be  
accessed on mobiles,  
tablets, laptops or  
desktop PCs.

### Flexible connectivity

While fast  
broadband  
is in many places  
we work, we know  
that's not the case  
everywhere.
