

Castrol® ePODS™

Castrol® ePODS™, our innovative oil dispensing system designed to maximize inventory efficiency, oil usage and to help your shop stand out.

Key benefits

Maximum Oil Usage with gravity-led design helping you sell every last drop

Efficient inventory management led by right sized package (5 Gallons) enables 4 viscosity grades in a reduced space footprint

Translucent bottle to **prevent out of stock**

Premium look for a **professional shop**

Fully integrated design with one pitcher per viscosity grade helps **minimize cross contamination**
