

Trusted, quality synthetic blend motor oil that supports proper engine maintenance

Help extend engine life with Castrol® GTX® Essential

Regular car maintenance is important, but poor quality motor oil can put engine life at risk and hurt the value of the investment your customers have made in their vehicles. Castrol GTX Essential is a high-quality, synthetic blend motor oil that supports proper engine maintenance. It helps keep engines clean and fights wear, bringing with it the trust of a brand used by millions of mechanics worldwide.

The advantages of Castrol GTX Essential

- Meets API SQ/SP performance certification
- ILSAC GF-7[^]
- Protects against engine sludge
- Provides viscosity stability and pressure control
- Helps minimize oil consumption
- Meets latest Ford specs

Castrol GTX Essential is available in 5W-20 and 5W-30 viscosity grades (available in bulk and drum only).

[^]ILSAC GF-7 is the latest industry category of passenger vehicle engine oil, delivering advanced performance in fuel economy and wear protection. Lubricants meeting ILSAC standards are required by many OEMs, including Acura, Honda, Hyundai, Infiniti, Kia, Lexus, Mazda, Mitsubishi, Nissan, Subaru, Suzuki and Toyota amongst others. Always refer to the vehicle owner's manual to ensure the correct lubricant for your vehicle.
