**Creating  
a route**

# Creating a route

- After a list has been created it can be converted into a route.
- By going to the ACTIONS button and then clicking on MY ROUTES.
- On the prompt you can select Create a New route and give it a name.
- That will display the new route which can also still be edited by simply clicking on each location.

Route BETA 1

SELECTED ROUTE: LWR ROUTE BETA 1

Origin (My Location) 8:00 AM

**Questions?**

# Feedback

# Quiz

**Question 1:** Where can you sign up as a new user to gain access to all platforms associated with Streetview, including Insight?

**Answer:** At the Castrol customers' portal

**Question 2:** What is the initial step required to create a route and schedule?

**Answer:** To create a route and schedule, you must first compile a list of destinations that you wish to incorporate.

**Question 3:** What tool can help you to have a fact based, data driven discussion with your customers or prospects?

**Answer:** The DIFM Report.
