TO GET THE MOST OUT OF YOUR CASTROL SCORE ACCOUNT, REMEMBER:

- ★ Activate and claim your accounts in IMI.
- ★ Your Castrol ASM has to approve Account Claims for them to be valid.
- ★ Castrol ASM must mark an account claim as NEW to ensure it's made eligible for the New Account Signing Bonus. DSRs must notify their HD of PCO ASM if a newly claimed account is NEW.
- ★ Earning a New Accounts Bonus is now easier than ever with our enhanced volume tiers.
- ★ Log into Castrol InSight to add new prospect accounts or update a current prospect account(s).

Terms & conditions for this program may be viewed anytime by logging into the Installer Management Interface (IMI). Access your rewards account, then select the 'Information' tab at the top of your rewards summary page.
